The Realms of Leadership With Heart

Discover Your Leader Within

Facilitated by Alyssa Aubrey, CEGE and Medicine Horse Ranch senior staff

October 13-15, 2017 Tuition: \$795.00

10:00 am – 4:30 pm each day Early bird tuition \$750.00 (if paid by Sept. 13th)

Join us for a 3-day experiential learning program designed to inspire curiosity and deliver practical tools with the assistance of collaborative human and equine educators. This unique, cutting edge program is beneficial for business owners, managers, mothers, fathers, mentors, teachers, students, caretakers and anyone who wants to make a difference.

The Realms of Leadership with Heart is participant-centered and solution focused. Studies show that over 80% of our human interaction is non-verbal (which includes mood, trust, intuition and listening). Horses have an uncanny ability to reflect back how effectively (or not) we are being in these non-verbal states. Horses are influential and masterful teachers for us in the realms of leadership, offering a refreshing and non-judgmental way for learning new processes for achieving goals, overcoming challenges and promoting team development. By partnering with horses and practicing focused attention to our intention, we step into the fertile ground of learning and deepening ourselves.

Participants will learn to:

- Practice Self-Responsibility within a Team Structure
- Discover Strength and Opportunities
- Overcome Obstacles
(shift from being stuck to taking action)
- Adopt Fresh Perspectives
- Explore Effective Ways of Decision Making
- Discover the Power of Intentional Focus

I came away from the Realms of Leadership strengthened and revitalized. I got an unexpected and welcomed look at myself as a leader, I walked away feeling MORE confident and inspired with understanding the importance of and ways to obtain coming together with others to achieve a common goal.

- Nancie B.
Workshop participant, 2014

Limited to 12 participants.

To register: e-mail office@medicinehorseranch.org or phone Alyssa at 707-878-2440.
Directions and logistics provided at time of enrollment.
